

Press release

## THE EIFFEL TOWER FROM NEW YORK WITH FRENCH BEE FOR \$139

- ✿ **Tickets available to be purchased from today**
- ✿ **Prices from \$139 (including VAT) per person one way from Newark Liberty International and Paris-Orly 4**
- ✿ **First flight to take place on the 10<sup>th</sup> of June 2020**

**Paris-Orly, September 18, 2019** - **French bee**, France's leading low cost long-haul airline, is opening reservations today for flights from Newark Liberty International Airport in New York, USA to Paris-Orly 4. Tickets are available from \$139 one-way, for flights from June 2020. Following the Francisco route opening in May 2018, French bee is expanding its destination offers on the American continent for travellers wishing to discover or rediscover France.

**Marc Rochet, president of French bee, stated:** *"Paris is a popular destination for all types of travellers: tourists, families and business customers. On this route, we are convinced that price remains a decisive factor. Thanks to our robust model, solid finances and the unparalleled performance of our A350-900 fleet, we are able to offer flights at extremely competitive prices and in optimal comfort conditions. We are ready to meet the competitive challenge of this New York-Paris route."*

Tickets can be booked now on the company's website [www.frenchbee.com](http://www.frenchbee.com) (also available in English), from its call center (0825 205 205 205 from France and +1 833-376-7158 from the United States), at the airline's counter at Paris-Orly 4, as well as from travel agencies (from Thursday 19 September).

**French bee** will operate a daily flight between Newark Liberty International and Paris-Orly 4 airports. All flights will be operated at the following times (local time)\*:

- Departure from Newark at 6:15pm - arrival in Orly at 7:30am the next day
- Departure from Orly 4 at 2:00pm - arrival in Newark at 4:15pm

### **With French bee, personalise your trip according to your desires and your budget:**

**French bee** offers 3 types of fares for its flights from New York to Paris:

- ✿ **"Basic", starting at \$139 including tax one way**, including the lowest priced ticket and 12 kg of carry-on baggage.
- ✿ **"Smart", from \$209 including tax one way**, including a ticket, 23 kg checked baggage and a meal.
- ✿ **"Premium", from \$469 including tax one way**, with ticket, seat reservation in Premium blue class, two 23 kg hold baggage items, a meal and a snack.

Travellers can, if they wish, fully customize their trip according to their desires and budget, by selecting options from a wide range of services and products. A "Maxi Leg" seat for more legroom and comfort, extra luggage to take more with you, priority luggage delivery for those in a hurry to reach their destination, special meals to indulge...: all offers are available, whatever the type of ticket booked.

## Daily flights to the city of lights in a brand new A350

This new transatlantic route will be operated by the A350-900 XWB (Extra Wide Body), the latest Airbus aircraft equipped with cutting-edge entertainment systems.

Designed specifically for long-haul flights, **French bee's** A350 XWB features the latest Airbus innovations for passenger comfort. Cabin pressurization, temperature control and air quality have been redesigned to provide passengers with greater comfort and lessen their fatigue. The aircraft comprises a spacious cabin with particularly high ceilings for this type of aircraft. In addition, the cabin provides passengers with larger and deeper luggage racks.

Passengers will also be able to appreciate the very low noise level of this new aircraft. The latest generation of 100% LED ambient lighting, capable of recreating sunset and sunrise at the perfect time to improve the quality of passengers' sleep and reduces the impact of a jet lag.

**French bee's** A350 XWB offers two travel classes and 411 seats on board.

**ECO** : 376 economy seats, made of leather, with high quality features:

- 10 seats per row
- 81cm space between seats
- 25cm HD touch screen
- Up to date and free entertainment with over 100 hours of programming
- PC and USB sockets
- Knee and lumbar reinforcement
- An adjustable headrest with 4 positions

**PREMIUM**: a premium and private cabin with 35 seats, offering:

- 7 seats per row
- 91cm space between seats
- 30cm HD touch screen
- Up to date and free entertainment with over 100 hours of programming
- PC and USB sockets
- A central console
- A footrest and legrest with 'maxi leg' seats
