French bee Launches Los Angeles to Paris Route in April 2022

Paris airline opens ticket sales for second California route making it the most affordable nonstop carrier to fly from Los Angeles (LAX) to Paris-Orly (ORY)

Los Angeles - November 16, 2021 - [French bee](#), the first smart-cost long-haul airline in France, expands its West Coast presence with the launch of a Los Angeles route to Paris-Orly beginning March 2022. Ticket sales start today with introductory fares beginning at \$661 each way.

Launching on April 9, French bee will operate four weekly nonstop flights from Los Angeles International Airport (LAX) to Paris-Orly International Airport (ORY). As the newest and most affordable carrier, French bee grants Angelenos a fast lane to the beautiful sights, tastes, and charms of Paris with a nonstop route to the closest airport (Paris-Orly) to the City of Light.

"Following the success of our Newark launch and relaunch of San Francisco, we are enthusiastic to debut Los Angeles as our third U.S. route to Paris and continue our rapid U.S. expansion," says Marc Rochet, President at French bee. "We understand price is a top factor for customers planning international travel following the pandemic and are pleased to offer superior in-flight comfort with our newest Airbus A350-900, which is one of the world's most fuel efficient and modern aircrafts in the long-haul market right now."

French bee's Los Angeles (LAX) → Paris-Orly (ORY) route includes:

- **Starting Price:** Introductory fares start at 279 USD one-way for Basic Economy and 661 USD one-way for Premium Economy from Los Angeles to Paris
- **When:** Operating four times weekly on Monday, Thursday, Friday and Saturday in April, increasing up to six times weekly starting in July 2022
- **Outbound Flight:** Departure from LAX at 7:45pm with arrival at ORY the following day at 3:35pm - 6:35am PST
- **Return:** Departure from ORY at 2:50pm for arrival at LAX at 5:15pm
- **Flight Duration:** 11 hours and 45 minutes from LAX to ORY
- **How to Book:** www.frenchbee.com

CUSTOMIZABLE TICKET OPTIONS

French bee passengers can book from three options including **Basic**, the lowest-priced option, which welcomes one 26-lb carry-on bag; **Smart**, the Basic offering plus one 50-lb checked bag and an in-flight meal (with a range of options including vegetarian and fish); and **Premium**, the Smart offering plus one additional 50-lb checked bag, two premium meals, complimentary beverage service, Premium cabin seat choice, line jump, priority boarding, and priority luggage delivery.

ALASKA AIRLINES PARTNERSHIP

For travelers outside of Los Angeles, French bee has developed an interline partnership with Alaska Airlines. Passengers may purchase a single ticket and have access to easier travel to and from many destinations throughout the U.S.

THE FLEET

French bee's flights are fully operated by four Airbus A350s, which are recognized as one of the world's most modern and efficient aircrafts. The fuel consumption per passenger is 117 miles per gallon, making this long-haul aircraft one of the most efficient on the market. The Airbus A350 is outfitted with the latest generation in innovative design and technology. Mood lighting mimics sunrise and sunset with 100 percent LEDs—improving sleep quality and reducing jet lag—while French bee's particularly quiet plane allows peaceful journeys that minimize long-haul fatigue. Comfort-focused design and engineering underpins the A350-900 aircraft, such as in-cabin pressurization, temperature control, air quality, and more. With 411 seats, the aircraft offers two classes. All leather seats include adjustable headrests, USB and electrical ports, headphone plugs, and unlimited in-flight entertainment on extra-large HD touch screens.

ONBOARD EXPERIENCE

The leisure airline offers accessible fares with a tailor-made, à la carte travel experience granting passengers the unique opportunity to build their own perfect trip catering to their needs. Upon boarding, travelers are welcomed by spirited and authentically French flight attendants and crew members who ensure a comfortable international flight experience.

French bee brings Wi-Fi in the sky to its passengers with iZiWifi and its four packages including Hello package (\$4) for emoticons and Whatsapp addicts; Social package (\$9) for like and tweet followers; Geek plan (\$17) for emails and internet; and Addicted package (\$29) for ultra-connected passengers. For those celebrating together, the Instant Duo meal offers an Aperitif served before the meal, including two bottles of Nicolas Feuillatte Champagne (7 oz) and two plates of three warm and crisp canapés (spring roll, beggar's purse and vegetable samosa). Meals are included in the Smart and Premium pricing.

AIR AND RAIL TRAVEL

France is not only Paris. French bee joins forces with SNCF [The French National Railway Operator] to offer [packages](#) that combine air and train fare into one single fare to easily explore various destinations across France.

COVID-19 POLICY

For all bookings made for travel through March 31, 2022, tickets are 100 percent changeable and refundable. Additionally, [COVID assistance](#) is offered for all trips booked through December 31, 2021. Health measures are strictly enforced at every stage of the guest's journey. French bee uses the health passport through the TousAntiCovid application. All sanitary and commercial measures already implemented by French bee can be found [here](#).
